"HEALTH ACT."

PURSUANT to the provisions of subsection (31) of section 7 of the "Health Act," being chapter 114 of the "Revised Statutes of British Columbia, 1936," His Honour the Lieutenant-Governor in Council, sitting as the Provincial Board of Health, has been pleased to make the following regulations:—

REGULATIONS OF THE PROVINCIAL BOARD OF HEALTH RESPECTING HAIRDRESSING SHOPS AND HAIRDRESSING SCHOOLS.

Whereas it is provided by the "Health Act" that the Provincial Board of Health may issue regulations as the Board deems necessary for the prevention or suppression or mitigation of disease:

It is therefore provided as follows:—

1. No hairdressing shop or hairdressing school shall be used as a living, dining, or sleeping apartment.

2. The floors, walls, furniture, fixtures, and instruments of all hairdressing shops and hairdressing schools shall at all times be kept clean and in a sanitary condition.

3. The entire interior of all hairdressing shops and hairdressing schools shall at all times be properly ventilated and maintained in a scrupulously clean and sanitary condition.

4. Every hairdressing shop and hairdressing school shall be supplied at all times with clean hot and cold water in such quantities as may be necessary to operate the business thereof in a sanitary manner, and plumbing connection for such hot and cold water shall be installed and maintained in that actual part of the premises where hairdressing is carried on; provided that in any case the capacity of a hot-water receptacle, hereafter installed in any such premises, shall be such as to hold not less than five gallons.

5. Where municipal water-supply or sewer system is available, connection must be made to the same from the premises of any hairdressing shop or hairdressing school. If municipal water-supply or sewer system is not available, then any toilet facilities maintained on such premises must be of a type and kept in a condition which is sanitary and satisfactory to a Health Officer.

6. No person suffering from any infectious or contagious disease whatsoever shall be employed or engaged in any capacity in or about any hairdressing shop or hairdressing school, either as master or servant, operator, apprentice, student, or otherwise whatsoever.

7. No hairdresser, apprentice, or student shall in any way serve any person afflicted with any contagious or infectious disease or knowingly permit any person so afflicted to remain on the premises of any hairdressing shop or hairdressing school.

8. All setting lotions shall be applied only by means of a spray or dispenser.

9. All felt or protector permanent-wave pads shall be sterilized in lysol, carbolic, or formaldehyde or other suitable disinfectant before each curling operation, and when once used shall not be used again until sterilized as above.

10. All hairbrushes, scissors, combs, and other instruments in general use shall be sterilized by immersion in boiling water before each use; and, in addition, hairbrushes shall at frequent intervals be immersed in a strong solution of suitable disinfectant, as above, and rinsed in clear water and dried with a towel or by heat.

11. A separate and clean towel or neck-strip shall be used for each customer. Towels and cloth neck-strips shall be laundered and sterilized to the satisfaction of a Health Inspector before being used again.

12. Before passing from one customer to another, the operator shall wash the hands, using soap, preferably carbolic.

13. Every operator, apprentice, and student shall wear a clean uniform or coat of washable material whilst engaged or employed in or about any hairdressing shop or hairdressing school. Such uniform or coat shall be kept clean to the satisfaction of a Sanitary Inspector.

14. Any hairdressing shop or hairdressing school operated under conditions which, in the opinion of a Health Officer, are prejudicial to the public health or safety may be closed by a Health Officer or Inspector authorized under the "Health Act."

15. These regulations shall apply throughout the whole of the Province, whether a hairdressing shop or hairdressing school is operated under the provisions of the "Hairdressers Act" or not, or under the provisions of the "Trade-schools Act" or not; and, in addition to applying to any premises where hairdressing is regularly carried on, these regulations shall apply to any house, apartment, room, building, or other place in which any act of hairdressing is performed or taught for hire, gain, or hope of reward, whether such act of hairdressing or teaching is part of any systematic practice or is merely an isolated instance.

16. Any failure to comply with these regulations on the part of the owner or manager or person in charge of any hairdressing shop or hairdressing school shall render such owner, manager, or other person liable, upon summary conviction, to the penalties prescribed under section 112 of the "Health Act," being chapter 114, R.S.B.C. 1936.

17. In these regulations the expressions:—

(a.) "Hairdressing shop" means any place, room, premises, or part thereof where the occupation of hairdressing or any branch thereof is carried on for hire, gain, or hope of reward; and shall also mean any house, apartment, room, building, or other place in which any act of hairdressing is performed for hire, gain, or hope of reward, whether such act of hairdressing is part of any systematic practice or is merely an isolated instance:

(b.) "Hairdressing school" means any place, room, premises, or part thereof, wherein the business of teaching or instructing in hairdressing or in any branch thereof is carried on.

18. A printed copy of these regulations shall be conspicuously displayed and maintained in every hairdressing shop and hairdressing school.

Provincial Secretary.
